PRAYER DIARY

Please pray for the situation in Afghanistan. Pray for those who are attempting to leave the country and for all those who have relatives and friends in Afghanistan. Pray for those who are being offered homes in other countries and pray that they will be welcomed as they seek to begin new lives. Pray for the future of Afghanistan and for an end to violence and fear.

Please pray for all countries which are affected by natural disasters, for Haiti and Tennessee as they suffer from adverse climate conditions. Pray that all countries of the world will continue to seek for ways to handle the climate changes taking place now.

Please pray for all those taking part in the Paralympics in Tokyo over the next weeks. Pray for their safety and also pray that we may all learn how to accept people of all abilities in the way that sport is showing during this event.

Please continue to pray for all those known to you who are suffering in any way at this time, whether physically, mentally or spiritually. Pray that they will feel God's presence surrounding and sustaining them, and for healing and comfort.

Please pray for the ministry teams throughout the circuit, for God's love and protection to be very real to them in their ministry.

Pray for our church here and for the groups that will be arranging to restart after the long break. Pray that the leaders and helpers will be encouraged and blessed in the roles they undertake.

Pray for a blessing on any new groups that are beginning and for new ideas to continue to be developed as the church reopens.

LUNCHTIME PRAYERS

You are invited to join me for lunchtime prayers, every Friday 1pm-1.30pm starting on 3rd September. We will be using a Celtic Daily Prayer, written by David Adam. If you want to come down early and bring a sandwich then we can share in food from 12.30pm, before we pray. All are welcome - come and help us Build our Church in prayer.
