Good News Story

Coffee Shop Coventry comes to Bolton

Connections Church, in the Bolton Circuit, hosted the 'Coffee Shop Sunday' Church from Coventry and Nuneaton. This new church is famous for its innovative approach and presents an online worship experience from a coffee shop. People sign in from all over Britain and beyond. Members of the church, just off St Helen's Road in Bolton, who join regularly online, invited the founders and others to visit Bolton, to tell of their work and share in the warm fellowship extended to them.

Local Preacher Kath Knowles was excited that this has come to fruition and people were able to hear of its foundation and development.

People ask, 'Where is God at work?'

Here, we can say, at Connections, a diverse Methodist Church, that in itself was born out the coming together of two congregations, where, in reaching out to a wide range of people, especially those coming into this country, the life and worship of the church, and new opportunities, are being explored.
